# CELEBRATING 40 YEARS OF ARMSTRONG

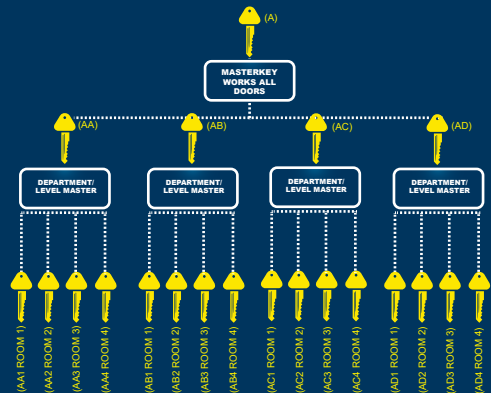

Did you know that Armstrong's humble beginnings started in 1980 with a Morris Minor 1000 van?

This year, we are proud to celebrate 40 years of security expertise, keeping you and your property safe and secure.

With a fleet of well-equipped mobile workshops (vans) on the road across New Zealand, backed by a growing number of retail stores, and a fleet of specific electronic security vehicles that focus on installation and servicing electronic security i.e. Alarms, CCTV and Access Control, we offer our clients fast and fully guaranteed service.
