ABOUT

At ALIA, we understand that your bathroom and kitchen are among the most important spaces in your home. That's why we're committed to offering only the highest quality products available on the market today. Whether you're upgrading existing fittings or building a new home or business, we provide everything you need to bring your vision to life.

Our inventory is constantly evolving to ensure you have access to the latest innovations and designs. From contemporary to classic styles, we partner with leading manufacturers to offer a wide selection to suit every taste and budget.

We also strive to make your purchasing experience as seamless as possible. Our knowledgeable and dedicated team is here to guide you through the process and help you find the right solutions for your specific needs.

Customer satisfaction is at the core of everything we do. Whether you're after a single bathroom sink or need to equip an entire commercial kitchen, we're here to support you every step of the way.

Thank you for choosing ALIA as your trusted bathroom and kitchen supplier. We look forward to helping you create beautiful, functional spaces.

X51

4 in 1

Filtered Dispenser

Enhance your kitchen or office with the ALIA 4-in-1 Filtered Dispenser Tap, combining cutting edge design with advanced functionality. This lead free, watermarked tap provides instant access to filtered boiling, chilled, ambient, and mains hot and cold water, making it a convenient and eco-friendly solution for both residential and commercial settings.

This versatile dispenser seamlessly integrates into modern kitchens, with the option to upgrade for chilled water functionality. Ideal for busy households, offices, and commercial kitchens, it brings unparalleled convenience and efficiency to your daily routine.
