WINERY MAKEOVER

(Tantalus Estate Vineyard, Waiheke Island, Auckland)

The new owners of Tantalus Estate Vineyard have gone to great lengths to transform their majestic old building into a welcoming masterpiece that will appeal to wine connoisseurs the world over.

before

The restoration project included a complete transformation and replacement of the **bell tower** and **parapet detail** which **Accumen Shapes** were asked to supply to exacting standards using a combination of **ShapeCrete®** and **DecraShape®**.

Huge credit must go to **Cheshire Architects** for their attention to detail, Willie and the team at **WG de Gruchy Construction** for their installation skills and Mike May from **Plastering.co.nz** who used the impressive **Rockcote** system. A stunning result!

Architecture is a visual art, and the buildings speak for themselves ...Julia Morgan

- **DecraShape®** decorative kiln dried S grade EPS shape coated in **KickIt®** plaster
- **fourPLUS®** decorative kiln dried S grade EPS shape with a minimum of four mm thick **KickIt®** plaster coating
- **ShapeCrete®** decorative lightweight concrete shape
- **KickIt®** plaster
- **TidyUp®** adhesive
- **bBOLD®** creations
- **Cabana** concrete products
