Expert advice. Meet the team.

The Stonebaths team are based in New Zealand and can offer design solutions and advice either face to face around Australia and New Zealand, or remotely.

Jim Bedwell Director and commercial design expert

John Spurway Director, operations and sales

Chris Henwood Director, commercial sales

Jane Allerton Interior design, sales and admin

Bella Vanity Range

Simple, Robust, Versatile

The vanity is manufactured using green and environmentally friendly practices from oak plywood. It comes in three melamine finishes. It can come as featured with a ceramic or gel coat finish or with a solid surface benchtop. There are 6 colour and texture options.

The vanities are designed with larger storage space and drawer dividers.

The hardware has damping buffers for smooth drawer opening and shutting.

The vanity can be customised from a selection of solid surface and concrete bench tops and any bowl you choose from our extensive range of solid surface and concrete basins.
