Basins

Luna basins are curved and classic in their design, making them a stylish choice for your bathroom that will stand the test of time.

With many style and size options available, you'll be spoiled for choice when selecting basins for a small ensuite through to a large family bathroom.

- Crafted from highly durable vitreous china that has great durability, sanitary and stain resistant properties
- Available in above counter, semi recessed, inset and wall basin styles
- Includes flush fitting plug and waste - optional pop up plug and waste available
- 10 year warranty

ABOVE COUNTER BASIN

Above counter basins are installed directly on top of a vanity with minimal installation requirements.

INSET BASIN

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl.

SEMI RECESSED BASIN

Semi recessed basins partially overhang the vanity allowing you to maximise your basin size on applications with limited vanity space.

WALL BASIN

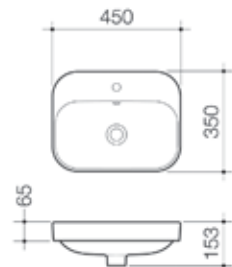

Wall basins are installed directly to the wall with no need for an additional vanity.

ABOVE COUNTER BASIN

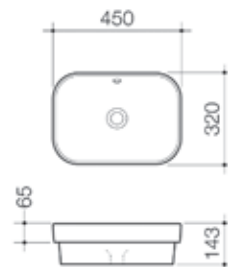

Caroma wall basins are tested to withstand excess load up to 150kg

Baths

Our range of Luna baths feature soft lines for a modern, minimalistic look. The gentle recline allows you to lie back and relax in style.

- Crafted from stain and scratch resistant sanitary grade acrylic
- Available in freestanding, back to wall, island and four tile flange styles
- Includes flush fitting plug and waste - optional pop up plug and waste
- 10 year warranty

FREESTANDING BATH

The Luna freestanding bath is only 1400mm in length, meaning that even small bathrooms can have this luxurious style of bath.

BACK TO WALL FREESTANDING BATH

The Luna back to wall bath combines the luxury of a freestanding bath with the practicalities of an island bath. Sitting flush to the wall means it is not only easy to clean but opens up the choice of tapware to wall bath mixers.

ISLAND BATHS

Island baths are recessed into a constructed frame which is usually finished using tiles or stone leaving only the small raised rim of the bath visible. The island bath offers extra room around the bath, perfect for candles, a sitting ledge, or the kids' toys.

FOUR TILE FLANGE BATHS

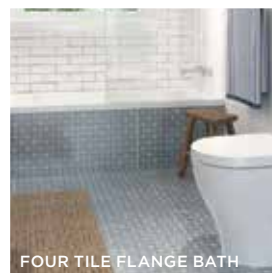

This style is necessary for a bath that will also be used as a shower. It works to redirect the shower spray run-off directly back into the bath without the moisture damaging the walls.

Showers

Stylish and sophisticated in design, our Liano Collection showers offer a range of different styles, allowing you to create your desired showering experience.

- Available in polished chrome or matte black finish
- Multifunction rail shower has integrated diverter for seamless transition between hand and overhead showers
- WELS 3 star rated, 9L/min
- 10 year warranty

HAND SHOWER

Hand showers give you a great range of flexibility. They allow you to direct the spray wherever you like, whether you want to keep your hair dry or assist with the cleaning.

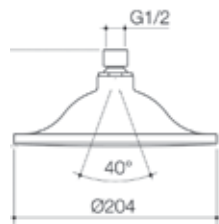

RAIL SHOWER

Extremely practical, rail showers allow you to vary the height of the shower head along the rail and at different angles.

Our Liano Nexus multifunctional rail shower features include 3-spray functionality for a personalised showering experience.

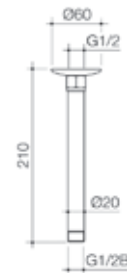

RAIN SHOWER

Positioned directly overhead these provide a “rain like” immersive showering experience with maximum body coverage.

Baths

The Liano Collection has been designed for those who favour a minimalist square style. With a focus on comfort the range offers multiple sizes and installation types.

- Crafted from sanitary grade acrylic – resists chipping and has excellent heat retention qualities
- Suitable for freestanding, back to wall or corner placement
- Plug and waste options available
- 10 year warranty

FREESTANDING BATH

The Freestanding tub has become a real statement piece in bathrooms in recent years. Because of their all-sided finish, they can be placed anywhere – even in the center of the bathroom. They are available in a range of sizes, and if you have a smaller bathroom, the Liano 1400 is ideal for compact spaces, whilst still achieving a freestanding look.

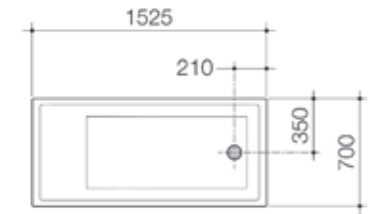

The Liano 1525 and 1675 bath sizes feature dual reclined ends and a centre waste position for comfort.
