Snib Lever

New Zealand's First Narrow  
Profile Smart Lock

## A Smart Lock that suits your lifestyle, your home and what nature throws at it.

Leave your keys at home with the new E-LOK 715/7 Smart Lock. Control access to your home with an easy to use app.

Pair your phone to your E-LOK 715/7 via Bluetooth using the E-LOK app. Set-up a range of pincodes and pair the included RFID Cards for easy access, or unlock via Bluetooth.

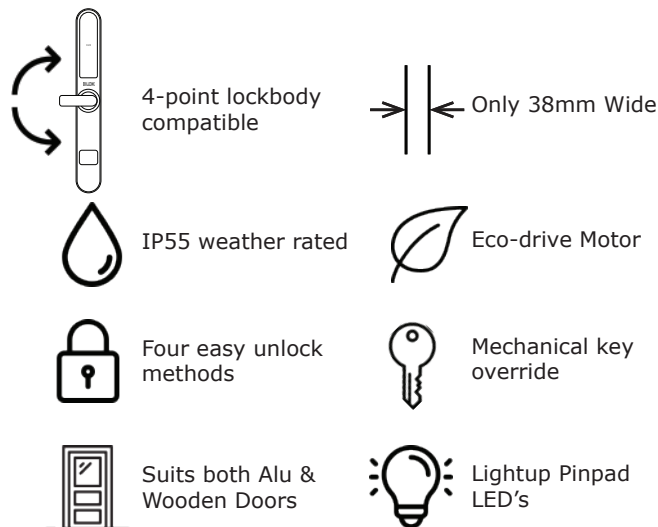

Adding and deleting access codes is easy through the app. App includes controls for one-timed pincodes for tradie access. E-LOK app allows you to view all access data including failed unlock attempts.

Optional E-LOK Gateway (for remote Wi-Fi access)

## More options than one.

### Pull Handle Entrance

Keep your existing pull handle entrance and pair an E-LOK Snib lever model to your door. Have the additional convenience of a smart lock in your life without giving up your statement entrance.

- Coverplates available
- Mount lever horizontal or vertical

### Sliding Door

Modernise the indoor outdoor flow of your home with an E-LOK for Sliding doors. Comes with high security lock body and Snib Levers. Works with range of new and recently built sliding doors.

- Consult with installation company prior to purchase
- Snib lever also suits normal style doors.
