INTRODUCTION TO QUICKSEW

Established in 1977, Quicksew is the market leader for the supply and installation of window treatments for the Commercial and Domestic markets.

What we do
Quicksew manufactures and supplies products of the highest quality using a wide variety of innovative and stylish fabrics and components to suit any budget or application. We apply extensive industry knowledge to ensure that all our products meet the requirements of our customers and industry standards.

Fit-for-purpose product range
Our range of products include:
- Curtains & Tracks – Blockout And Sheer Curtains
- Blinds – Chain Drive or Motorised Roller Blinds, Vertical Blinds
- Stage Curtains

Approved NSWBuy Supplier

ISO Accreditation

EDUCATION

Project: Hunter School of Performing Arts
Client: Richard Crookes Constructions

COMPANY PROFILE - Education

Quicksew has a proven reputation for the supply of blinds, curtains, stage curtains, drama room curtains, shower curtains, beds and furniture to schools, universities and educational facilities including boarding accommodations.

Quicksew can assist you and your design team with specifications, green star ratings, colour schemes and fabric selections tailored to the project type and budget requirements. We can supply you with resilient, low maintenance products that are fully launderable, comply with fire regulations and create an attractive and practical environment suitable for the specific application.

eQuote
SYSTEM

Online Product Quoting Tool

NSW GOVERNMENT | NSWBuy NSW Procurement

Approved NSWBuy Supplier

HOW IT WORKS...
Streamline your quote requests with Quicksew

eQuote
SYSTEM

1
Go to our website www.quicksew.com.au, select "Commercial" and browse our extensive range of products from the dropdown menu.

2
Make your selection, choose a quantity and select "Add to quote" You can then add other products to your quote as required.

eQuote - Easy Online Quoting Tool

3
Simply select the "View eQuotes" button at the top of the page, fill in your details along with any other relevant information and click "Send Your Request" It is that simple!

You will receive a confirmation email with the quote details and our team will be in touch to discuss options and pricing.

Need to know more?
Call our experienced team on 1800 065 068

DESIGN Your Table!

Creating your very own Education Table could not be easier! Our Australian made range is versatile and fully customisable. Our strong and durable table frames are made from fully welded steel tubing and our table tops are constructed from commercial quality melamine board. Not only are our tables built to last and able to withstand the demands of today's collaborative learning environment, they are coupled with a three year warranty for peace of mind.

Choose your SHAPE

All of our ranges are designed to be used seemlessly both individually and alongside other Educational Tables. Pick from over a dozen unique designs that are sure to bring the classroom together!

OTTOMAN Range

For an alternate seating solution, our Ottoman range creates a fun and unique configuration that provides just as much flexibility as our education table range. Available in all different shapes and sizes, they are the ideal way to tie together a collaborative learning environment. Our Ottoman range is constructed of solid Australian Made foam and upholstered in a range of house fabrics, vinyls or a fabric of your choice.

BLINDS

Roller Blinds

With an extensive range of fabric and colour choices, roller blinds offer you a versatile solution for your window furnishing requirements.

Available in blockout, light filtering, sunscreen or a combination of both – one for day, one for night. With chain drive, linked, twin, spring assist and motorisation, roller blinds offer an affordable, practical and versatile window covering solution.

Options:
Twin Systems

Chain Drive

Motorised

Remote control

Vertical Blinds

With an affordable price tag, privacy and light are easily controlled. The slats stack neatly open allowing maximum viewing capacity. Vertical Blinds are available in a range of slat sizes and come with the option of centre open or side bunch.
