

INTERIOR DESIGN
&
DECORATION

INFORMATION PACKAGE

Hello! Kia Ora!

Our specialized team makes interior design an easy and enjoyable process.

We understand your image of a perfect home and guide you through the process of choosing materials, finishes and integrate design with your ideal home.

We create concepts and mood boards, provide materials options, and even options for furniture and furniture suppliers. Our specialized team will be on-hand, every step of the way, helping you turn your house into a home.

We look after every aspect of the interiors from sourcing to ordering, organizing the delivery and finally the install.

ALL YOU NEED IS YOUR STUFF TO MOVE IN! Let our team handle all the stress for you.

Epic
Design Team.

Design process

GETTING TO KNOW YOUR STYLE :)

Basic discussion to understand your design style & over all expectations from us. Briefing the project outline.

THE DESIGN CONCEPT- BIG IDEA!

- Mood board creation which captures the essence & mood of the design
- Material samples supplied - Inspiration images/ sketches

DEVELOPED DESIGN

- Detailed floor plans, elevations & / or any specific elements
- Colour schemes confirmed, along with flooring, lighting, wall finishes and any other fixed materials.

PRODUCT & SHOPPING LIST

- Full details of the specific products and textiles
- Clients can either purchase items using the supplied shopping list, or we can buy the items on their behalf & pass on pur trade discounts.

THE END RESULT

- Delivering to client stress free.
- Ensuring a very happy client.

Services & Packages

1 INTERIOR DESIGN FULL PACKAGE

An increasingly popular service we offer is the Interior Design Package – this is the complete solution for your project be it a new build, renovation or multiple dwellings.

Residential or commercial project, our team can design from one room to a complete space.

We consider all aspects of your architectural design and incorporate it to offer a functional and creative use of space.

2 BATHROOM & LAUNDRY DESIGN

Complete selection of colors, tiles, fixtures, finishes along with detailed plans and 3D renders to give you an idea of how it all will look in real life.

3

KITCHEN DESIGN

Heart of every home that needs special care. We can design and choose finishes for your existing or new kitchen.

We provide you the plans, elevations and material finishes & fixture details. You can then take to it to your preferred trade professional or we can help guide you one.

4

LIGHTING DESIGN

Exterior, Interior or any bespoke feature space, we can help you specify, choose and supply lighting plans and fixtures.

5

FURNITURE SOURCE & SUPPLY

Epic design can specify, source and supply you with all your furniture and furnishing requirements.

If you are a recent new homeowner or building your dream home, re-designing your restaurant, office or cafe, we are here! Our team will work with you and help you choose and source all your home needs with in your design picture and budget.

6

COLOR CONSULTATION

We help understand your requirements and help finding the right color palatte to reflect your personality.
