ART OF LIVING

“Sleep in Comfort, Milano fans are the quietest ceiling fans in Australia.”

Why MILANO Fans?

AUSTRALIAN BRAND

Milano Fans are proudly an Australian brand, distributed by Fan City.

MOST SILENT CEILING FANS

Milano Slider fans have a noise level of only 29dB.

RECOMMENDED BY CHOICE

Milano Fans have been recommended by CHOICE for 6 consecutive years.

Unique Design

UNIQUE DESIGN

Sliders offer a unique design with its handcrafted aerodynamic timber blades (instead of cheap plastic blades) providing an air displacement of 15300m³/hour.

BUILT TO LAST

Sliders include high quality BLDC motors which are built to last.

BEST FOR BEDROOMS

According to CHOICE, Sliders on the slowest speed operate on 50 *RPM (other brands having a higher RPM).

Energy Efficiency

ENERGY EFFICIENT

High quality BLDC motors help save up to 70% of energy usage (as per CHOICE test only \$1.00 / monthly running cost).

VARIABLE SPEED OPTIONS

All fans come with a 6 speed remote control at no extra cost.

CEILING FANS WITH LIGHTS

Slider can come with or without a dimmable light (18 watts, 3000K, 1440 Lumen).

Smart Home Integration & Replaceable LEDs

SMART HOME INTEGRATION

Sliders can be connected to Wi-Fi enabling voice activation with Google Home or Amazon Alexa – hands free fan and light control.

REPLACEABLE LED

High quality LED plates come with the fan, which are built to last. However consumers can replace the LED lights if required in the future.

How would clients benefit from Slider fans?

AFTER SALES SUPPORT

Fan City is passionate when it comes to customer service. We look after our clients even after purchase.

FREE SHIPPING

Fan City offers free shipping all over Australia.

COMPETITIVELY PRICED

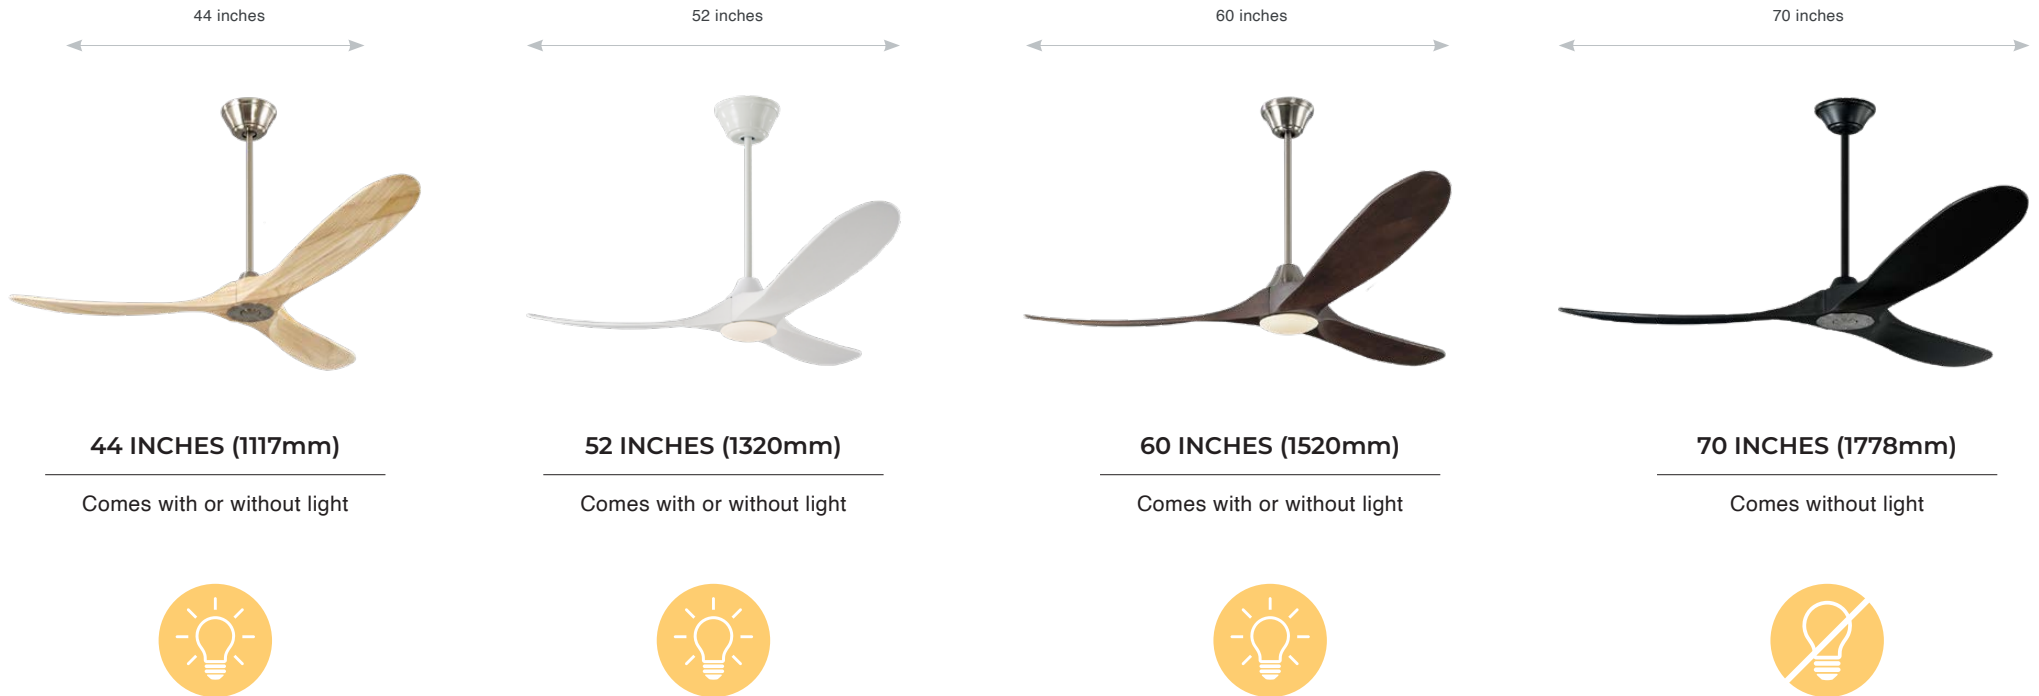

Slider's biggest advantage is that it's the best quality with a competitive price making it affordable to everyone.

CUSTOMISATION

Slider fans can be customised in relation to their colours. This feature is in place in order to suit everyone's palette.

Slider fan comes in 4 different sizes

RECOMMENDATIONS

FAN SIZE	ROOM SIZE
44" (1117mm)	2m x 2m (small study room)
52" (1320mm)	3m x 3m up to 4m x 4m (small/standard bedroom)
60" (1520mm)	4m x 4m up to 5m x 5m (large bedroom or living room)
70" (1778mm)	5.5m x 5.5m

EXTENSION POLE:

Standard pole comes with each fan is perfect for ceiling height 2.4m up to 2.8m. If you have a high ceiling that is more than 2.8m, an extension pole is required.

SLIDER ZEST OUTDOOR

FEATURES

- **ASA BLADE:** What is ASA blade?
Acrylonitrile styrene acrylate which called as ASA is an amorphous thermoplastic developed as an alternative to acrylonitrile butadiene styrene (ABS), but which improved weather resistance and its more high technology widely used in the automotive industry. It is UV resistance, ASA has high outdoor weatherability, it retains gloss colour and mechanical properties in outdoor exposure, it has good chemical and heat resistance, high gloss, good antistatic properties, and is tough and rigid.
- Fan canopy, down rod, blade holder all made by 316 grade stainless steel.
- Best Air displacement.
- Quiet in operation.
- Designed for use at outdoor undercover.
- Designed for use at damp location.
Tropical rated.
