PRODUCT WARRANTY

IN RESPECT OF: SUPPLY ONLY (NOT INSTALL) OF DECORATIVE DETAILS, EX-FACTORY

Accumen Shapes Limited (ASL) manufactures pre-coated decorative details for use on domestic and commercial buildings and are designed to be fitted to a weather tight cladding.

ASL PRODUCT WARRANTY IS SUBJECT TO THE FOLLOWING BEING ADHERED TO:

1. Competent designers and tradespersons must follow professional trade specifications for the application of a weather tight membrane on the building PRIOR to fixing ASL pre-coated decorative details.
2. Only informed competent installers fix the decorative details.
3. The decorative details should be checked annually for damage and possible water entry. Any damage which may have occurred must be repaired using professional trade practice. Any paint film damage must be repaired in a timely fashion (see Maintenance section).

ASL decorative details may be water repellent in themselves, but due to the diverse situations they may be used in, the ASL warranty is therefore limited to the quality of the goods supplied.

Architects, designers and competent tradespersons must follow professional trade specifications for the application of a weather tight membrane on the building BEFORE fixing Accumen® decorative details. We strongly recommend that only informed competent installers fix the decorative details. Decorative details may be water repellent in themselves, but due to the diverse situations they may be used in, Accumen Shapes Ltd's warranty is therefore limited to the quality of the goods supplied.
