

RELN Storm Mate™

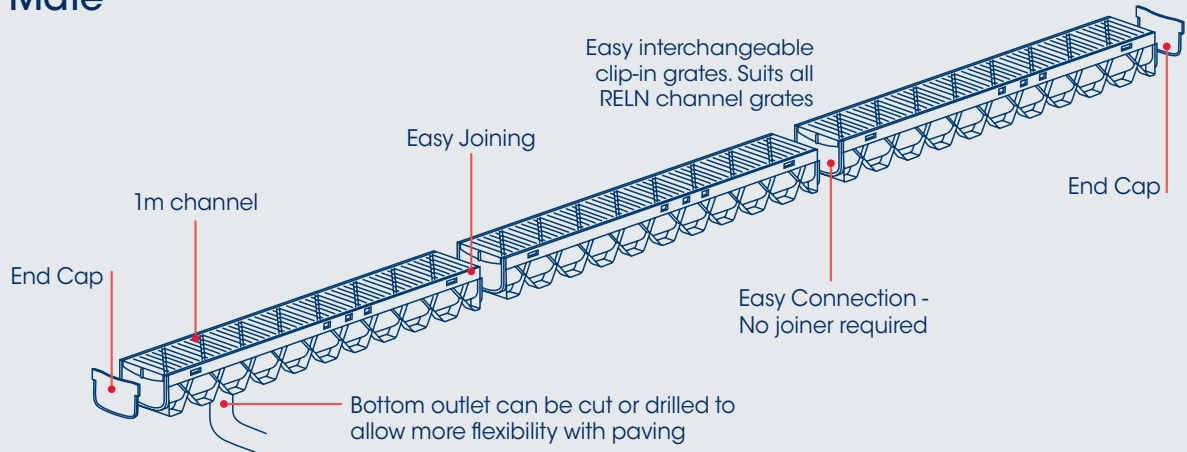

RELN Storm Mate™ is the straight-line surface drainage solution, with a range of different grate options, perfect for paths, driveways, and smaller spaces. With its shallow 85mm profile, Storm Mate effectively collects and distributes small volumes of surface water throughout its system. The interchangeable clip in grates, hold-down feet and pipe cut-outs make it easy to install, whether you are a DIYer or a professional.

- **Durability** – Made in Australia from tough, durable, and lightweight UV stabilised recycled plastic
- **Easy to install** – Storm Mate is a breeze to install with its easy connecting channels, interchangeable clip-in grates and hold down feet to stop floatation during the pouring of concrete.
- **Straight-line drainage solution** – Perfect for paths, driveways, and small spaces (e.g., balconies).
- **Class A Load Rating** – Rated to Class A and when correctly installed in concrete, the grate can withstand light vehicle traffic
- **Shallow 85mm profile** – A shallow profile for capturing small volumes of water flow
- **Plumber-friendly** – Bottom outlet can be cut or drilled to fit 90mm PVC stormwater pipe
- **Environmentally friendly** – Made from 100% UV stabilised recycled plastic

Storm Mate™

PRODUCT OVERVIEW

CONFIGURATION
Straight

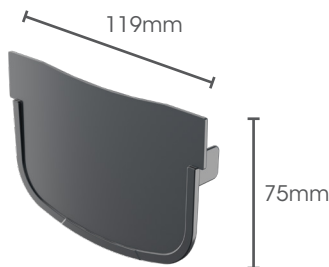

RELN Storm Mate™

SIZE (L x W x D)
External: 1000 x 119 x 85mm
Internal: 1000 x 100 x 71mm

PRODUCT CODES

- 002989 - Complete with Black Plastic Grate
- 002999 - Complete with Black Heel Guard Plastic Grate
- 002988 - Complete with Galvanised Steel Grate
- 002998 - Complete with Stainless Steel Grate
- 002880 - Complete with 316 Architectural Grate

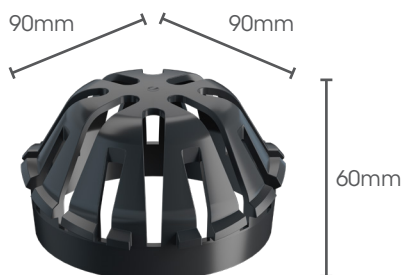

RELN Storm Mate™ End Cap

SIZE
119 x 75mm
