GREETINGS

Michael Graves

Director

Bathrooms By Elite is an established and highly recommended bathroom renovation company. We believe in designing bathrooms that are both functional and beautiful. Through our passion for design, we have made the process of creating and buying a bathroom, simple, efficient and stress free.

From our success we have established partnerships with a wide range of suppliers, that share our like-minded priorities of quality, beauty and value, to bring our clients the best products and design for the best possible value.

If you dream it, we can make it happen.

Michael Graves

OUR SERVICE

Bathrooms By Elite, are the experts in bathroom renovations having been in business for a decade. Our team comes with a wealth of experience, are passionate, authentic and we listen to our individual clients requirements to ensure their finished bathroom exceeds all expectations.

A new and modern bathroom can make all the difference when renovating your home. Being one of the most used areas in a house, a bathroom needs to do more than just look great, it needs to be functional.

We are familiar with making sure a bathroom ticks all the right boxes for our clients, as well as ensuring budgets are met and projects are completed on time. From an initial quote to design and build, Bathrooms by Elite walk you through each step to guarantee an exceptional finished space.

Free Quotes

Free in-home measure and estimate, by our qualified in house designers.

Project Management

Our renovation experts will oversee the entire project from start to finish. From initial design and measure to fully complete custom bathrooms.

“

We believe that Design is not just what it looks like and feels like. Design is how it works.

Steve Jobs

Dedicated Showroom

The best ideas are discovered by seeing and touching the latest products. We offer an exclusive showroom dedicated to serving all of your bathroom needs.

Full Design Package

We will help choose tapware, tiles, baths, vanities and accessories that you will still love in years to come. We will assist with design ideas based on your wish-list and budget with a CAD drawing layout.

HOW IT WORKS

Our vision is to ensure all clients are 100% satisfied with the experience and entire process of their bathroom renovation.

Design Measure and Quote: We begin with an on-site visit to learn about what you are after, then assess your space and take measurements. From the measure and quote we will create a package specific to your project which outlines our proposed design and fees. We will then work with you to make any adjustments needed to match your requirements, priorities and budgets.

Instore Consultation: A full product and design consultation will be provided instore in our showroom to show you all the different options and finishes we offer.

Concept development: If you proceed with our estimate, we then begin working on your bathroom concept designs and plans. We work with you through each process from our proposal, communicating with you at every stage until the final design concept gets your approval.

We can then produce a final detailed quote, reflecting meetings to date which will outline all labour, materials, and products.

Management: The construction works begin, and our project manager will direct the entire renovation from start to finish.

Completion: Upon completion of your project, we remain contactable to answer any questions and assist you with any further requirements.

CLIENT TESTIMONIAL

Judy Farrell

3rd Time Client

Bathrooms by Elite certainly met all our expectations on all 3 occasions, we couldn't be happier. The designs all work well for us, are very functional and there is nothing we would change. Elizabeth did a great job listening to everything we wanted and worked it all into our budget without compromising on the end finish. I wanted a cupboard somewhere in our latest bathroom and she incorporated that so well in the vanity design.

Karen and Mate

2nd Time Client

When we decided to do both our bathrooms, we shopped around and Bathrooms by Elite stood out by a mile from the other companies we contacted. It is clear from the first phone call that you are dealing with people who know what they are doing, are good at what they do and are willing to guide you throughout the renovation process. From the initial design meetings with Elizabeth through to the renovation process with Jodey and Mike we always had confidence in the team, as not only do they constantly demonstrate their high level of skill and knowledge but also they listened to what we needed. We are blown away with end result.

We offer a 10 Year Workmanship Warranty!

Sharon and Murray

Client

Wow! What a transformation! We are thrilled with our two new bathrooms. The end to end process was so smooth and thank god we didn't need to do the work ourselves!

Great communication and coordination. Sound advice on fittings and design. On time as per the schedule, even with a few changes from our end. All tradies a pleasure to work with, and clean and tidy. Thanks especially to Elizabeth, Jodey and Mike.

Waldo & Tania

Client

A huge thanks to Elizabeth, Jodey and their team who turned our collection of Pinterest pictures into amazing bathrooms and laundry room.

Elizabeth ensured she understood our style and what was important to us, thereby was able to provide invaluable advice on the design taking into account everyday practicalities without compromising on quality. Jodey then brought the whole plan to life seamlessly with everything completed on time, within budget and ensure that the final finishing touches weren't missed.

Michael Graves

Managing Director

With over 22 years experience. Michael is responsible for the success Bathrooms By Elite has had to date. His vision continues towards becoming Aucklands most recommended bathroom renovation company.

Elizabeth Allington
