flanges – standard & back to wall

The Tranquillity standard flange acts as an extra seal between the drain and your bathroom tiles. The back to wall flange allows a closer installation of your channel drain to the wall.

Tile Flange 80mm & 100mm
FLC80 & FLC100

Back to Wall Flange 80mm & 100mm
BFLC80 & BFLC100

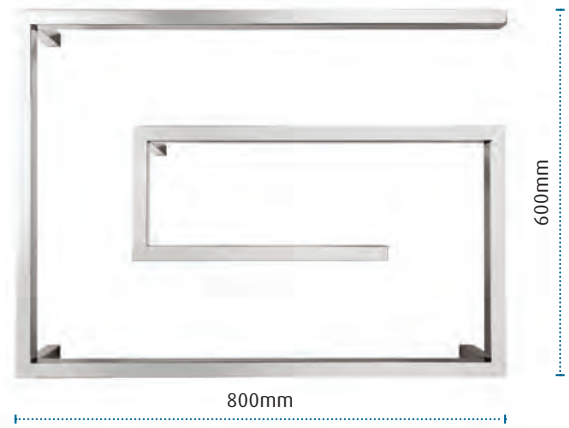

PVC leak control flange | Suitable for all Tranquillity channel drains and point drains
Available in 2 sizes - 80mm and 100mm | Promotes adhesion to the waterproofing membrane

moderno carbon infrared heaters

Elegant, modern and easy to control, Moderno heaters are ideally suited for Alfresco dining and outside areas like cafes, restaurants and bars. They function well in buildings with elevated ceilings, eg schools, churches and community centres.

Cherish precious moments basking in wonderful warmth.

Moderno heater BLACK
900W X 130H X 89.5D MM ODHMONBLK

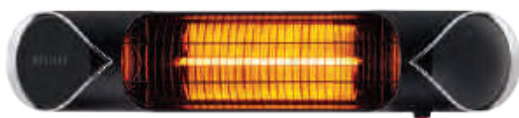

Moderno heater SILVER
900W X 130H X 89.5D MM ODHMONSIL

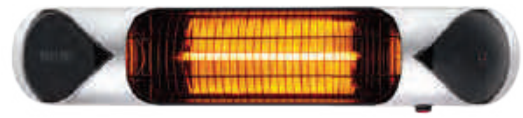

The Moderno carbon infrared heaters provide extremely efficient directional heat within seconds
 Compact design - look great mounted horizontally or vertically | Indoor / outdoor application | Water resistant
 Periscopic remote control - can be controlled from a long distance and wide course
 Can be hardwired or plugged in | Odour and CO2 emission free | Designed for both commercial and residential usage
 Automatic temperature control regulates power consumption based on your set temperature and eliminates annoying hot and cold cycles.

moderno^{mini} carbon infrared heaters

The Moderno mini carbon infrared heater seamlessly blends in with its elegant surroundings and is ideal for smaller indoor/outdoor spaces including bathrooms | Compact design - can be mounted horizontally.

Moderno mini BLACK
700W X 130H X 89.5D MM MOD-1200B

Moderno mini SILVER
700W X 130H X 89.5D MM MOD-1200S

Optional: telescopic stand for both heaters Adjustable stand with a polished chrome finish.
