

5 STAR GUARANTEE

**Need a builder that ticks all the boxes?
Here's how we guarantee customer satisfaction**

We Build within your Budget

- We have experienced estimators which allow us to provide detailed costings
- We build in contingencies to allow for variations and delays
- We operate on open-book contracts allowing you to see the actual costs
- Extras are costed and approved first to avoid surprises later down the track

Realistic Time Frames

- Our project management software provides you with detailed timeframes for each stage of the build
- Extra time is allowed along the way to ensure we don't overpromise
- Building materials are ordered in advance to avoid product delays

Regular Communication

- Pre-start meeting to discuss details and confirm the sequence of events
- Weekly site meetings with you to review progress, track budget & timelines
- We pride ourselves on our open effective communication to keep you up-to-date with your build

Quality Control

- 50 point checklist
- Qualified tradesmen
- Management team all have 20+ years' experience in the building industry
