

WARDROBE STORAGE COLLECTION

WORLD LEADING
KITCHEN AND WARDROBE HARDWARE

INTRODUCTION

HIGOLD Australia is part of the HIGOLD Group, a Global Leader in functional home hardware since 1989.

With one of the largest design teams and production facilities in the world, HIGOLD is a global leader in designing and manufacturing innovative functional hardware for the luxury residential market. Its key categories include:

- Intelligent kitchen storage hardware
- Kitchen sink and tapware solutions
- Luxury wardrobe storage hardware

HIGOLD's global business includes more than 2,000 employees, and design consultants across Germany, Italy and China, and more that 300 research and development experts, and production facilities over 200,000 square meters.

HIGOLD's products are recognised by countless international design awards and protected by over 700 product design and manufacturing technique patents.

HIGOLD distributes to more than 80 countries worldwide and is now proud to make its ranges available in Australia via HIGOLD Australia.

Higold Australia products are distributed by Vanguard Design Group Pty Ltd under licence from the Higold Group. Vanguard Design Group is a specialist wholesaler and distributor of luxury residential renovation fixtures and fittings.

HIGOLD PRECISION PRODUCTION

As a leading brand in creative and innovative functional hardware and furniture, Higold's refined craftsmanship and precision production technologies and methodologies deliver the highest quality output. Each process has been strictly controlled to ensure quality is never compromised.

LEADING TECHNOLOGIES

Higold utilises the best available technologies and production machinery to design and manufacture to precision standards. Automation, laser precision, and robotic processes ensure consistent adherence to designs and specifications. From design and R&D to commercial production, Higold's standards deliver the highest quality.

QUALITY TESTING

All Higold products are quality tested to ensure the Higold standards are never compromised. During product design and R&D each product undergoes extensive durability and stress testing to ensure they deliver the functionality expected for years.

A modern, dark wood wardrobe with open doors. The interior features shelves, hanging clothes, and a handbag. The text "WARDROBE STORAGE" is overlaid in large white letters.

WARDROBE STORAGE

Higold's Italian designed luxurious wardrobe storage systems lead the market globally in design and functionality. The combination of precision workmanship, highest quality vegan friendly PU leather materials, and aviation grade aluminium frames provides for the most stunning wardrobe solutions available.

ELEGANT WARDROBE DESIGN

A SERIES

Natural PU Vegan Friendly Leather
Anodised Aluminium Frame

B SERIES

Teal PU Vegan Friendly Leather
Integrated PU Leather Frame

Vegan Leather

Gorgeous full-body leather storage made ethically and sustainably

Higold's functional wardrobe solutions are coated in vegan-friendly PU leather, or polyurethane leather, to create stylish and sustainable organisation pieces.

Faux leather closet drawers add an expensive touch yet are a less harmful choice to our planet. Higold's PU leather materials are water-resistant, easy to clean, low-impact, and designed to last.

A SERIES

Luxurious and functional. Wardrobe drawers and racks from A Series ensure you have storage for every closet item. The earthy brown shade is paired with softer grey accents to exude a sense of warmth, and a contemporary, nature-inspired look.

Transform your clothes storage space into the most appealing and inspiring space in your home.

- Natural brown with grey finish
- Solid MDF base
- PU leather with aluminium frame

PULL OUT ACCESSORIES / JEWELLERY STORAGE BOX
