We don't just deliver products, we CREATE them

INFLUENTIAL HISTORICAL BUILDING RESTORED

This once rundown building was recently restored to become a valuable asset for the building owners and tenants.

Accumen Shapes Ltd were proud to supply the column capitals and architraves with centre keystone for the nine new arches on the ground level.

This construction may be seen at Stanbeth House, 28 Customs Street East, Auckland City.

Every effort has been made to ensure accuracy in this publication, but Accumen Shapes Ltd accepts no liability for any errors of fact or opinion expressed.
