*We don't just  
deliver products,  
we CREATE them*

The owners of this charming property have given us permission to showcase this excellent example of how three robust products (plastered walls, bricks, and **Accumen® Shapes**) can amalgamate together to create a visual architectural paragon.

The detailed shapes highlighted with black arrows were proudly manufactured by **Accumen Shapes Ltd.**

*Every effort has been made to ensure accuracy in this publication, but Accumen Shapes Ltd accepts no liability for any errors of fact or opinion expressed.*
